The crown

Case 2

The crown

An abandoned suitcase is found in a restroom at Berlin airport. When the police bomb squad opens the suitcase, they do not find any explosives. Instead, the suitcase contains a spectacular find:

a golden headdress.

Starting clue 1

The luggage label says UIO - TXL

Starting clue 2

On the case there is an oval sticker with the inscription: CD. It seems to be new.

Starting clue 3

There are no papers attached to the object. It is wrapped in newspaper.

Police 2

Police 2 card features two blue bell icons at the top, a blue bell icon at the bottom left, a small white square in the bottom center, and a white person icon at the bottom right.

POLIZEI

Police 1

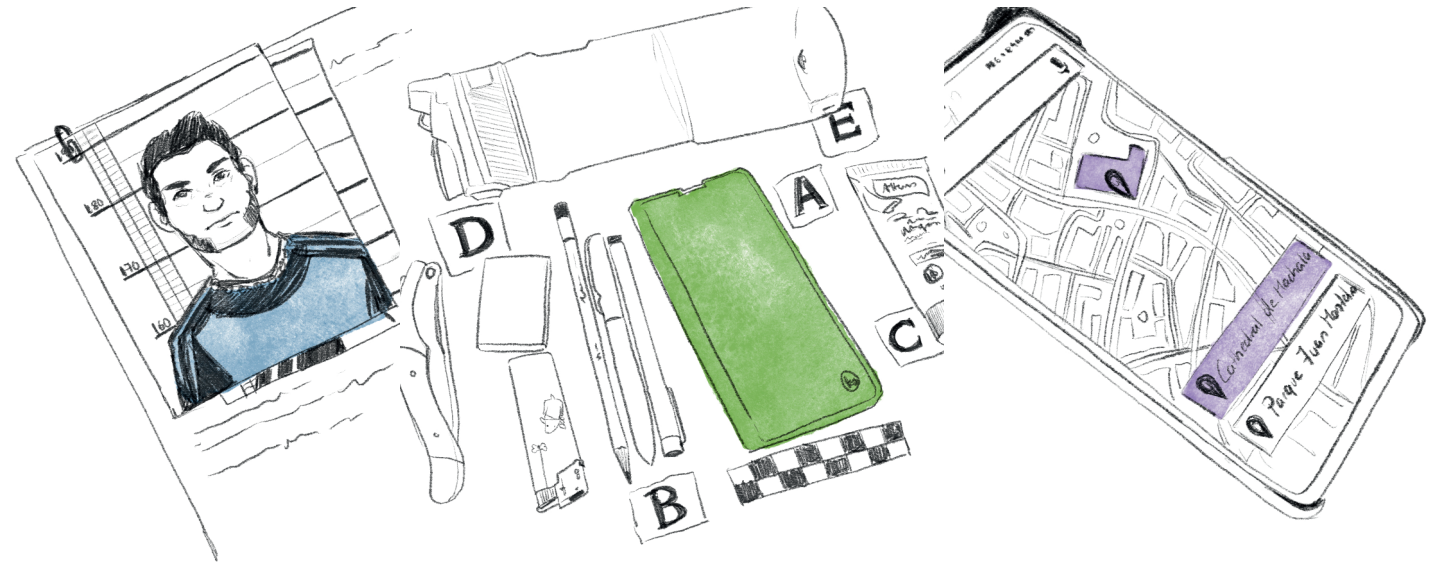

Police 1 card features two blue bell icons at the top, a blue bell icon at the bottom left, a purple eye icon at the bottom left, a small white square in the bottom center, and a white person icon at the bottom right.

Police 1

On a surveillance video from the airport, a man is seen hurrying towards the toilet 56 minutes before the find and slipping on a mask. The unconscious man is taken away

by ambulance.

Police 2

At the hospital, the man is identified as Ronni Scheffner. He has a criminal record and is currently working as a driver for the billionaire Horst König.

Police 3

Ronni Scheffner cannot be found in the hospital. During a search of his belongings, a smartphone is found. There is not much on it, however.

Police 4

The voice commands from the navigation app for recent months are checked. The following are of particular interest:

Catedral de Machala, Parque Juan Montalvo

Police 5

After checking the bank details of Horst König, a transfer to Pedro Vivo of 1,405,000 sol is found.

Laboratory 1

The newspaper in which the object was wrapped is an edition of "El Comercio".

Laboratory 2

XRF analysis reveals that the headdress is made of copper that has been coated in rose gold.

Laboratory 3

The gold coating of the object is a Tumbaga alloy.

Laboratory 4

The eyes of the figure are made of chryso-colla.

Laboratory 5

Traces on the screen surface reveal that the smartphone can be opened by following a certain pattern. On it there are pictures of Ronni, Horst König and Pedro Vivo taking photos of one another on a yacht - wearing the headdress.

Archive 1

An article about a matching find from 2 years ago has been published in a local northern Peruvian magazine.

Archive 2

A daily newspaper in Lima reports on the acquittal of collector Pedro Vivo, who was indicted on suspicion of stealing antique gold.
